Hello Hanwood !

Enjoying an elevated site in this popular residential area close to many amenities, this charming bungalow will have strong appeal to young families and certainly downsizers. Buyers will be spoilt for choice with many nearby facilities including tempting eateries, recreational facilities including the Dundonald Ice Bowl complex and David Lloyd Leisure Centre, transport connections, parks and the Ulster Hospital are all close by.

The accommodation has been well cared for over the years but would benefit from some updating, giving buyers an excellent opportunity to put their own stamp on their new home. Briefly it comprises a generous living room with an abundance of natural light and a cosy fireplace, a separate dining room with a serving hatch to the fitted kitchen, which in turn has access to the rear garden. There is a family bathroom and each of the three bedrooms are of a good size, two offering built-in robes.

Externally the property features driveway parking for multiple vehicles leading to an attached garage, a front and an extensive rear garden in lawn with various levels of mature plants, trees and shrubs affording excellent privacy and a great place to relax and unwind.

With so much to offer in an area of consistently high demand we are sure you will appreciate the many charms of this delightful home.
