Par.. fection!

If you like the idea of moving into a home where all the hard work has already been done, then 73 The Park is sure to impress. This superb three bedroom semi-detached property has been extensively refurbished and is beautifully presented throughout with a fresh, modern finish.

The accommodation starts with a bright entrance hall leading into a generous living room with a large picture window, contemporary feature fire and plenty of space to relax. An attractive open archway leads through to the separate dining room, creating a lovely flow between the two rooms while still retaining clearly defined living and dining spaces.

The newly fitted kitchen has an excellent range of shaker-style units, contrasting work surfaces, integrated appliances and modern black fittings, with a pleasant outlook over the rear garden.

Upstairs there are three well-proportioned bedrooms along with the unusual benefit of two separate bathrooms. Both have been finished in a contemporary style, with the larger bathroom featuring a bath and the second providing excellent additional facilities for a busy household.

The refurbishment has included a new kitchen and bathrooms, new flooring and carpets, fresh decoration, modern internal doors and gas fired central heating, resulting in a home that feels bright, stylish and ready to enjoy from day one.

Outside there are gardens to the front and rear, while the location offers easy access to Dundonald's excellent range of shops, schools and amenities as well as the Ulster Hospital, Stormont and Belfast city centre.

A really impressive home where the quality of the refurbishment, excellent presentation and practical three bedroom accommodation combine to make this one well worth viewing.
