A Stirling Buy!

If space and potential are high on your wish list, then 60 Stirling Avenue is certainly worth a closer look! This extended semi-detached home occupies a great position within this popular residential area and offers much more accommodation than you might initially expect.

The property has clearly been well cared for over the years and is presented in superb order throughout, although there is plenty of opportunity for a new owner to introduce their own style and modernise the interior over time.

Downstairs offers excellent living space with a bright family room to the front and a superb extended living and dining room to the rear, providing plenty of room for both relaxing and entertaining. French doors open directly onto the rear patio and garden, while the separate kitchen incorporates a dining area. A useful ground floor WC completes the accommodation on this level.

Upstairs there are three well-proportioned bedrooms together with a family bathroom and separate WC.

Outside is another real plus. There is a gated brick-paved driveway providing off-street parking to the front, while the enclosed rear garden offers a good-sized lawn, mature planting and paved patio areas – a lovely private space with plenty of potential. A detached garage provides additional storage or workshop space.

Stirling Avenue is a well-established and convenient location, within easy reach of the Cregagh and Castlereagh Roads, local shops, schools, public transport and Belfast City Centre.

With its generous extended accommodation, good-sized garden and obvious potential to create a fantastic family home, we would expect this one to generate plenty of interest!
